

**International Conference on “Artificial Intelligence and Machine Learning in
Applied Bio technology (AIMLBIO)”
RV College of Engineering®, Bengaluru**

Paper submission guidelines

- 1) The paper should be original and should not have been published anywhere else or be under review for any journal or other conferences.
- 2) A paper can have a maximum of four authors.
- 3) Tables, figures, and images must associate with appropriate captions and be of good quality for printing. In-text citations of these are compulsory.
- 4) Include the acknowledging paragraph under the title “Acknowledgement” if the work was carried out with funding.
- 5) The full article must be submitted as an MS Word file in DOC or DOCX format.
- 6) The English used is clear, concise, and coherent.
- 7) Use the EasyChair link to upload the whole paper.
- 8) Adherence to the guidelines is compulsory for publication in the conference proceedings.
- 9) All submitted papers will be presented for plagiarism check (acceptable similarity is 30% in Turnitin) and blind reviews.
- 10) Maximum number of pages is 8 including references
- 11) Download the paper template from [website](#)

Note:

- At least one author must register for the paper to be included in the conference proceedings.
- Only registered authors will be allowed to present papers and be given conference certificates.
